### **JARDINE HOLDS BUSINESS REVIEW IN MANILA**

13 October 2006 - Jardine Distribution, Inc., (JDI) a leading multi national company engaged in the marketing and distribution of agricultural and construction supplies products, will be hosting the Jardine Engineering Corporation's (JEC) Directors' Business Review, in Manila on October 18.

Contrary to recent newspaper reports, JDI continues to operate as unit of JEC and is the marketing team behind leading brands like Solignum Wood Preservative, Clincher and Rainbow Herbicides and Chix, Legend and Padan Insecticides, among others.

JDI represents in the Philippines, Osmose Protim of the United Kingdom, Dow Agrosciences and Arvesta Corporation of the USA, Sumitomo Chemicals Corporation of Japan, Cerexagri of France, BASF Construction Chemicals of Germany and Agchem Manufacturing of the Philippines, to name a few.

James Graham, JEC Chief Executive, said "Having the Business Review in Manila for the first time, my team and I are excited about sharing JDI's innovative marketing and selling techniques in the Philippines with the rest of the JEC organization. We aim to identify best practices that can be adopted by JEC's other businesses in Asia."

Mr. Graham added that JEC remains committed to JDI's growth in the Philippines as well as its other business in the country, Jardine Technical Services, Inc., a company that provides Heating, Ventilation and Air Conditioning related equipment, maintenance, installation and engineering services.

JEC's Business Review is also held in conjunction with the inauguration of JDist.'s new blending and warehouse facilities in Canlubang, Laguna on October 19. The inauguration will be attended by the JEC Executive Team, officers of the Fertilizer and Pesticides Authority and JDist.'s various business partners
